REIDSVILLE SENIOR CLUB DONATES \$1,000 TO BRIDGE TO A GOLDEN FUTURE CAMPAIGN

(Reidsville, N.C.) The City of Reidsville and Aging, Disability & Transit Services of Rockingham County is delighted to announce a \$1,000 gift from the Reidsville Senior Club to the *Bridge To A Golden Future Campaign* for the new Senior Center/Adult Day-Health facility.

The City of Reidsville and ADTS are partners in constructing the new facility that will serve older adults throughout the aging process. The new center, called **The Depot – Rockingham County’s Destination for Active Aging** will house Reidsville’s Senior Center and ADTS’s signature programs: Meals With Friends - congregate nutrition, Reidsville’s Meals On Wheels drop site, and the L.E.A.F. (Life Enrichment and Friendship) Center - adult day/health program. The recently completed facility is a 25,000 sq. ft. building located at 102 Washington Ave. The Reidsville Senior Center will occupy 18,000 sq. ft. and the L.E.A.F. Center will occupy 7,000 sq. ft. Services at The Depot will range from cultural and educational enrichment, physical therapy/rehabilitation, and fitness/wellness to adult day respite care, nutrition, personal care, and health services.

When asked about the decision to support the campaign, Robert Pankey of the Reidsville Senior Club said “This donation exemplifies our commitment to moving the community forward.”

Cindy Baynes, the center’s Director added, “This gift represents a significant commitment from the Reidsville Senior Club and shows their enthusiasm and commitment for the project. I am honored to work with such a vibrant, caring and generous group of people. They are truly an inspiration to our community.”
