PRESS RELEASE

New Chess Boards Adorn Downtown Reidsville

October 18, 2019 -- The City of Reidsville and the Reidsville Downtown Corporation have been very busy over the past year bringing more people downtown through art and recreation. The City is pleased to announce four new additions to these endeavors with Chess Tables and Boards being added to Mural Park and Kelly's Way as the City creates an urban park setting in Reidsville's downtown area.

"The City and the Reidsville Downtown Corporation have truly added so much art to our downtown in the last year," according to Reidsville Mayor Jay Donecker. "Project Dream, spearheaded by RDC Board Member Melanie Morrison and Missy Matthews, Main Street Manager, has added beautiful murals, along with painted pianos and fire hydrants to the downtown. Not only has it changed the landscape of the city, but it has created a lot of buzz. These new Chess Boards will do the same."

The Mayor encouraged residents and visitors to stop by the Reidsville Chamber of Commerce & Visitors Center to check out chess and checker pieces if they do not bring their own. "This is just another way the City is enhancing the Downtown Experience. Not only do we have wonderful businesses, but you can also grab a coffee and a sandwich and catch a game of Chess or Checkers. Kelly's Way and Mural Park are the perfect location to enjoy Downtown Reidsville!" he said.

The Burgundy colors make the tables stand out and happen to be one of the colors the City uses in its marketing campaigns. There is no charge to check out the game pieces during Chamber operating hours, which are currently Monday – Friday 9-5. Be on the lookout for even more exciting additions to our downtown in the next year. Also, be sure and follow Team Reidsville on Twitter and Facebook for all the information about what's happening!
